

Cleaning the San Gabriel Valley Air

CLEAN AIR SGV
A CAMPAIGN OF
 **APIFM**

Over 50 schools in the SGV are located near freeways, putting children at risk for asthma, heart disease, and other health conditions

**UPCOMING Educational Workshop: December 4
6PM - 8PM to RSVP, register on <https://bit.ly/3nA8jlm>**

JOIN THE CAMPAIGN

Learn about Particulate Matter (PM) 2.5 pollution

Find out simple ways to improve local air quality

Collect air pollution data with the PurpleAir sensor

Organize your community to improve local air quality policies

If you are an ALHAMBRA or MONTEREY PARK resident and would like to:

- host or attend an educational workshop
- host a PurpleAir sensor
- join our policy campaign
